

Music Week Ends, Three Evening Programs Given

News Selection
Called "Headlines"
Highly Praised.

Three evening performances of musical events given on the campus this week were a part of the National Music Week.

The College orchestra started the week's festivities off in brilliant style on Tuesday evening. The string ensemble entertained providing a lovely contrast in the program by artistically rendering "Ave Maria"—Schubert, and "Minuet"—Mozart-Stoessel. Other features of the program was a horn solo by Stuart Miller and a number sung by a trio, which is made up of pupils of Miss Catherine Dando vocal instructor. The familiar and popular tunes from the Vienna Woods" dominated the first program.

On Wednesday evening two very different styles of music were presented. Kenneth Tehov, violinist, played the Swan, which is a modern and highly effective choral paraphrase of the familiar composer, Saint-Saens. Mary Virginia Bush, pianist, played, The Grasshopper's Dance, the unusual presentation of "Headlines" was effectively aided with lantern slides and sound effects.

The variety male quartet at the last program of the week, Thursday evening proved that audiences still enjoy four good male voices in harmony. As a certain number in the trio sang "Wait for Me, Again Willie". The trio has been a good organization all year and was at its height in the program.

LUNCHEON

Tickets for the Mother's Day luncheon will be on sale Monday, May 8, on the second floor. The price for the luncheon, which will be served at the Residence Hall cafeteria, will be forty cents for each ticket. Those who do not obtain tickets on next Monday, may purchase them from Dr. O. Myking Mehus.

Events of the Coming Week

Friday, May 5
Lunch Meeting. The staff of The Northwest Missourian will meet at 12:00 o'clock this afternoon in Social Hall.

Movie Party. The Householders' association will stage a movie party at all off-campus women at 4 o'clock this afternoon at the Missouri theatre.

Banquet. The "M" club will hold banquet at 6:30 o'clock this evening in the West Library.

Saturday, May 6
Formal Dance. The Varsity Vendors' organization of women students who reside off the campus, will hold the annual spring formal dance from 9 until 12:30 o'clock tonight at the Maryville Country Club.

Sunday, May 7
Formal Dinner. The Association of Childhood Education will hold a formal dinner at 6 o'clock this evening at the Country Club.

Student Recital. A student violin recital will be held at 8 o'clock this evening in the College auditorium.

Wednesday, May 10
Assembly. Mr. Bode, chairman of Conservation of Wildlife Commission will speak to the College assembly at 10 o'clock this morning in the auditorium.

Art Exhibit and Faculty Tea. An exhibit by Miss Olive S. DeLuce and a faculty tea will be held from 5 to 5:30 o'clock this afternoon in Recreation Hall.

Recital by Belle Ward. Belle Ward, Bethany, soprano, will be presented in a recital at 4 o'clock this afternoon in the College auditorium.

Dinner-Installation. The Varsity Dancers Council will hold a dinner and installation ceremony beginning at 6:30 o'clock this evening at the Varsity Tea room.

Senior Play. College high school class will present its play at 8 o'clock this evening in the College auditorium.

Thursday, May 11
Mothers' Day. Mothers' Day will be observed at the College today by assembly at 11 o'clock this morning, presented by the conservatory music, a luncheon at 12:15 o'clock in Residence Hall, and a tea from 3 to 5 o'clock in Residence Hall.

Others will be entertained at 8 o'clock this evening by a recital by the College dance club in the auditorium.

Mothers Will Spend Thursday Here With Sons and Daughters

Full Days Events
Planned, Special
Assembly at 11

Next Thursday will be Mother's Day on the campus.

Mothers will have an opportunity on that date to learn of the activities, both curricular and extra-curricular, in which their sons and daughters are engaged here.

A big day is in store for them, according to Dr. O. Myking Mehus, chairman of events. All students are entitled to invite their mothers to come.

Registration will begin at 9 o'clock, and the day's events will include special assembly at 11 o'clock, visit to classes and the campus, a tea, and a special program by the Dance Club at 8 o'clock that evening in the auditorium.

The assembly program at 11 o'clock will be in charge of Paul Strohm, Maryville. Doris Hiles, Burlington Junction, will extend the student welcome to the Mothers and Mr. Tad C. Reid, director of operations of the College, will give the faculty welcome.

The program will include the following numbers, trumpet trio, composed of Jean Schneider, Stanberry, Tracy Lancaster, Union, and Don Moyer, Harrisonburg, Pa.; trombone solo, Vance Ruffie, Maryville; tenor solo, Merrill Ostrus, Wlota, Iowa; soprano solo, Dorothy Powl, Skidmore; violin solo, June Ernst, Maryville; piano solo, Marguerite Col-lazo-Felix, Puerto Rico and Mary Virginia Beck, Schell City; and the made quartet, Marlin Johnson, Essex, I.; Merrill Ostrus, Wlota, Ia.; Leslie Somerville, Jr., Maryville, and Robert Dunham, Bethany. Frank

Local Student is Named on Council At State Meeting

Six From College
Attend Conference
At Longview Farms

Six members of the College "Y" Association returned to the campus Sunday with several feathers in their hat. One was that they had assisted in the election of Leland Hamilton, Bedford, Ia., to the state Christian association council.

They had been to the annual Y. W. C. A. and Y. M. C. A. state conference at Longview Farms near Lees Summit.

Those who attended were Lurline Stevens, Allendale; Lois Langland, Spring Grove, Minn.; Helen Reed, Maryville; Paul Carson, Diagonal, Ia.; Marjorie McAllister, Farragut, Ia.; and Mr. J. L. Zwingle of the English department.

The highlights of the conference included speeches, dinners, round table discussions, a picnic, supper, and on Friday night a barn party.

The group also attended the international Methodist conference at Kansas City Saturday evening.

Round table discussions were concerned with topics on leadership training, deputations, conduct of worship, social relations and economics or organization.

Fern Babcock, state secretary of the Association, was hostess and led a discussion group. Ted Driftmiller of Tarkio College, is president of the state association.

Mr. Zwingle spoke at a youth meeting at Hemple, which is near St. Joseph, on Sunday afternoon.

College Students Go to Conventon

Seventeen College students, accompanied by Dr. H. G. Dildine of the faculty, attended the International Methodist conference at Kansas City last Saturday. They made the trip in the College bus.

Besides Dr. Dildine, those who went were: Erma Baker, Arlene Congdon, Margaret Dickerson, Eleanor Hartness, Gwendolyn Masters, Mary Catherine Needles, Ruth Pfander, Esther Vandevender, Mildred Warnick, Hope and Ruth Wray, John Anderson, John Graham, Leland Hamilton, Layte Imier, Harold Johnson and Harvey Smith.

Commercial Art Feature Display

In the display case on the left side of the main stairs to the second floor is an exhibit of commercially illuminated printing. This exhibit is the work of the commercial art class 41.

Strong, Maryville, will be in charge of ushers.

Luncheon
A luncheon in honor of the mothers will be given at Residence Hall from 12 until 1 o'clock. Helen Estep, Union Star, will be toastmistress.

James Hitchcock, Clarinda, will welcome the mothers. A response to the welcome will be given by Mrs. Hugh Strong, Maryville, and Dr. Anna M. Painter will give the Mothers' Day address.

In the afternoon, the mothers will have an opportunity to visit the classes and various departments of the college in which they are interested. Guides will be provided as in the morning.

At four o'clock in Residence Hall the mothers will be entertained at a tea. Mary Virginia Bush, Fairfax, Lois McCartney, Rock Port; Marie Holding, St. Joseph, Richard Shroul, Calhoun; and Edward Bird, Maryville, are in charge of arrangements.

To Dance for Mothers
The Dance Club program that night is under the direction of Miss Day Weems. It will include demonstrations of modern dance and ballet technique. An outstanding feature of the presentation will consist of a modern interpretation of college life, called the School Suite. In this the dancers will show outstanding events in the student's life, such as registration, assembly, classroom activities, athletic events, and social activities.

Dr. O. Myking Mehus has been in charge of general arrangements for the day. He has been assisted by the following committees: assembly, June Kidwell, Martinsville; tea, Mary Virginia Bush, Fairfax; luncheon, Dorothy Dalby, Burlington Junction, and registration, Adelyn Deere, Corning, Ia.

Music Week Will Be Followed by 4 Music Events

Will Feature 3
Student Recitals,
Violin Programs

Three student recitals and a violin demonstration program will follow as an after-climax to annual music week and be given during May. It was announced today by Mr. Paschal Monk, head of the conservatory of music.

On May 8, violin students of Miss Alline Pentress will present a program at 8 o'clock in the auditorium. The following students will participate: Charles Wolfers, Kenneth Tehov, Margaret Baker, Ruth Milliken, Ruth McDowell, Virginia Wallace, June Ernst, Jack Cook, Jenila Adkins, Orion Mehus, and Roberta Smith.

On Monday, May 15, Miss Pentress will present a violin demonstration of the violin, class of the Horace Mann laboratory school, in the auditorium, at 3 o'clock.

On Tuesday, May 16, Miss Catherine Dando will present some students in a piano and voice recital, at 4 o'clock in the auditorium.

On Wednesday, May 17, Illene Boyd will give her senior recital at 4 o'clock. She is a pupil of Miss Marian Kerr.

Crystal Cooper is Elected Head of Varsity Villagers

Crystal Cooper, Sheridan, last Monday was elected president of the Varsity Villagers, organization of off-campus women, for next year to succeed Helen Estep, Union Star.

She defeated Jean Dykes, King City, and Ena June Garrett, Maryville, in the election held in Recreation Hall.

Other officers elected include Mary Frances McCaffrey, Maryville, vice-president; Elta Marie Hagee, Lenox, Ia., secretary, and Ruby Goldner, Kellerton, Ia., treasurer.

Dolls Exhibited On Fourth Floor

Realizing the value of visual aids in teaching, the American Museums have prepared an exhibit of dolls. The dolls were made by employees of the WPA in cooperation with the Carnegie Museum in Pittsburgh, Pennsylvania.

Two of the dolls are made to represent toothbrushes, thus teaching the children the value of oral hygiene. This exhibit of dolls can be viewed on the fourth floor in Room 401.

41 Persons Placed So Far by College Job-Finding Group

STC Committee on
Recommendations is
Busy This Spring

The office of Mr. H. T. Phillips, chairman of the committee on recommendations at the College, is a busy place these days with requests coming in from various sections of the country for school teachers and with students in the College who will soon be holding degrees or teaching certificates seeking positions.

The work of the committee so far this year has been successful. Mr. Phillips announced this week. Forty-one persons have been placed by the committee on recommendations so far this spring.

Following are the persons who have been placed, together with the subjects they are to teach and the schools in which they will teach:

Placements
Florence Glaze, Splawn Ridge, Daviess county; Dorothy Rubble, Fairview school, DeKalb county; Helen McDonnell, Farley, Mo.; Imogene Templeton, Grady, Ia.; Frances Clayton, fifth and sixth grades, Orient, Ia.; Macel Dunfee, York school, Tarkio; Carrie Mae Stark, primary and first grade, Farragut, Ia.; Coleta Hunt, commerce, Hamilton, Mo.

Gladys Cook, Morgan school, Skidmore; Elinor Barrett, Daleview school, Fairfax; Helen Long, rural school, Allendale, Mo.; Doris Hiles, English, music and speech, Guilford; Doris Austin, Prairie Flower school, King City; Eloise Netherton, second grade, Tabor, Ia.; Lena Hanson, Radical school, Bolckow; Marjorie Farmer, commerce and physical education, St. Charles, Ia.; Marjorie McAllister, Yorktown, Ia.

Richards to Colorado
Auda Chenoweth, Excelsior school, Gallatin; G. L. Johnson, commerce, Corning, Mo.; Helen Estep, English and social science, Winston; Bernice Murray, Sandville school, Albany; Ruth Cofer, commerce and music, Emerson, Ia.; Hildred Rickman, Mt. Joy school, Conception Jct.; Ruth Johnson, Clay Center school, Fillmore; Dorothy Nell, Liberty school, Maryville; June Courtney, Bethel school, Cosby; Eugene Larmer, superintendent at Martinsville, Mo.; Nadene Malone, commerce, Ravenna, Mo.

Virginia Bosch, Olwell school, Maryville; Dortha Gates, fifth grade, Bedford, Ia.; Helen Ford, commerce and social science, Chula, Mo.; Everett Richards, coach, Plattville, Colo.; Cleo Wilson, home economics and English, Elliston, Ia.; Edna Goodman, Maple Grove school, Barnard; Kathryn Null, fourth and fifth grades, Hopkins; Doris Ware, Smith grade, Osborn, Mo.; Beulah Kellm, Hunt school, Grant City; Adlyn Deere, elementary school, Collins, Ia.; Phyllis Thomas, commerce, Barnard; Chester Lee Smith, social science, Barnard.

STC Students Are Optimistic About Any Immediate War

In answer to the question "Will American young men be back in College next fall or behind one of Uncle Sam's new guns?" as asked by Joe Belden in his Student Opinion Survey of America last week, students of this campus reply that they will be in college in the fall.

In a poll of student opinion taken this week two-thirds of students interviewed believed that there would not be a general European war within six months, and if war did come to Europe the United States would not become involved for a year or more.

In the opinion of one student there will not be an European war unless the internal conditions of Germany become so bad that the leaders of Germany will take their country into a foreign war to prevent a revolution.

Many persons today believe that the world is on the verge of another world conflict, but S. T. C. students are more optimistic in their outlook.

Even those who think that there will be a European war soon, believe that the United States will not readily take part, for they remember 1917-18 too well.

Miss Fentress' Pupils Receive High Rating In Music Festival

Charles Wolfers, Maryville, and Jenila Adkins, Rosedale, violin students of Miss Alline Pentress, member of the music conservatory faculty of the College, each received a No. 1 rating, the highest rating given in the State Music Festival.

The students competed in the festival at the University of Missouri last week-end. The rating received there entitles them to enter the national contest in Colorado Springs, Colorado, Thursday, May 11. The judge, in commenting on the playing of Charles Wolfers stated that he was "the most outstanding player in his class group of twenty."

In all probability, the students will not compete in the national contest due to the distance to travel.

THE LAST SNOW. April 17, found a staff photographer on duty. Here he snapped Betty Jane Turley, left, and Lola Moore, both of Maryville, as they left the Administration building.

Moberly Student Heads Staff for R. T. C. Yearbook

New Annual Makes
First Appearance
On Local Campus

For the first time in the history of the College, two yearbooks will be published by students of the campus. The annual will be published by the Resident Training Center, and the editor-in-chief is William Stringer, Moberly.

Alvin Chrisman, of Trenton will act as business manager.

According to the new editor, the yearbook will be published before the close of the Spring quarter. Most of the material has been placed in the hands of the type setters and pictures are ready for the engravers.

The idea for the annual came when R. T. C. supervisors and council members decided they could a story and picture account of the project now in operation on the campus.

J-Pictures of all the men students and administrators of the project, including those of President Uel W. Lamkin, Mr. Tad Reid and Mr. James Stratton, will appear in the annual.

Other staff members include Kenneth Crawford, Marshall, Guy Davis, Craig; Virgil Klontz, Moundville; Ben Evans, St. James; John Dunlap, Fairfax; Fred Beckelman, Sedalia, and John Landrun, Waverly.

Election of Officers For Newman Club to Be Held Next Week

The Newman Club continued the regular meeting schedule for discussion study clubs last week. The reports on the province meeting held recently were discussed at the previous meeting and the main business of last week's meeting was to arrange the activity schedule for the remainder of the quarter. The topic for the study club was the Sacrament of Penance.

William Metz, Wlota, Iowa, president, announced that the election of officers would be held at the next meeting and that all committee reports and officers reports would be due at that meeting. The topic for the next meeting, Thursday, May 18, will be Holy Communion.

Show House Models In WPA Exhibit

Models of a great many historic and typical houses can be seen on the fourth floor of the WPA exhibit. The exhibit is a major in Elementary Education and will soon complete a major in Fine Arts.

One of the most unique features of the exhibit is a design for cretome. It is a peasant design with the Night Heron as a motif. The color combination is dark blue, light blue and orange with apple green and yellow, all on a light yellow background. Two still life paintings and a landscape are to be seen as products of the oil-painting class.

Several abstract designs are shown and one of these is worked out, to show difference in texture. Various materials are used such as sandpaper, corrugated paper and copper.

Baker Wins by Narrow Margin

St. Joseph Student Defeats Metz For Presidency of SGA-M. Ostrus Elected Vice-President Yesterday

Students Also
Name 12 Senators
At Polls Tuesday

In the most closely contested presidential election in years, Frank Baker, St. Joseph, last Tuesday was elected head of the Student Governing Association for next year.

A six vote majority gave him 257 votes compared to 243 ballots cast for Bill Metz, Wlota, Ia., the only other candidate.

In the Tuesday election for vice-president, no one of the four candidates received a majority. The two with the highest number of votes were voted on yesterday. The Tuesday ballots showed Bernard McLaughlin, Virden, Ill., 186; Merrill Ostrus, Wlota, Ia., 120; Edgar Abbott, Union Star, 97, and Paul Tracy, Hubbard, Ind., 92.

In the contest for vice-president, which was decided in run-off election yesterday, Merrill Ostrus, Wlota, was victorious over Bernard McLaughlin, Virden, Ill., by a vote of 258 to 153.

Twelve senators were elected by the Senior, Junior and Sophomore classes for next year. The results follow:

Seniors—David White, Cameron, 62; Virginia Page, 34, Francis Stubbs, Amazonia, 63; Alice Woodside, Independence, 33; Marion Rogers, Jackson, 59; Betty McGee, Harris, 35; David Crozier, Berkeley, Mich., 58; Margaret Kyle, Graham, 36.
Juniors—Marjory Stone, Ridgeway, 71; Nelson Denny, Redding, Ia., 70; Marjorie Powell, Stewartville, 73; Lois Langland, Spring Grove, Minn., 67; Joe Kurtzright, Albany, 98; Gilbert Western, Maryville, 45; Eugene McLean, St. Joseph, 72; Kenneth Lawson, Ravenwood, 68.
Sophomores—Olive Jo Saunders, Maryville, 131; Mary Kyger, Stanberry, 34; Edward Alcott, Festus, 81; Florence Abarr, Diagonal, Ia., 81; Don Paxson, St. Joseph, 113; Keith Harris, Gower, 58; Harold Wiseman, Burlington Junction, 124; Robert Gregg, Stanberry, 47.
Election judges were C. Loyd Oliver, William McMillin, Kenneth Harper, and Earl Kauffman. Dr. Henry Foster acted as faculty supervisor.

The student election this year was lacking in color, compared to the marching bands and student demonstrations which aroused interest to a high pitch in the campaigns last spring.

President and Mrs. Lamkin Return from South America

President Uel W. Lamkin returned to his desk at the College yesterday after an absence of one month while attending a meeting in Rio de Janeiro, Brazil. President Lamkin went to the South American country to make plans for the World Federation of Education Associations meeting there this summer.

Mrs. Lamkin accompanied President Lamkin on the South American trip. The College president is secretary-general of the international educational organization.

First of Series Of Art Exhibits Is on Display

The first of a series of senior art exhibits is now on display in the corridor on the fourth floor. Mrs. Helen Basset Mario, St. Joseph, formerly of Skidmore, and a graduate of the Skidmore high school is exhibiting a number of art projects which she has completed in the various courses. Mrs. Mario is a major in Elementary Education and will soon complete a major in Fine Arts.

One of the most unique features of the exhibit is a design for cretome. It is a peasant design with the Night Heron as a motif. The color combination is dark blue, light blue and orange with apple green and yellow, all on a light yellow background. Two still life paintings and a landscape are to be seen as products of the oil-painting class.

Several abstract designs are shown and one of these is worked out, to show difference in texture. Various materials are used such as sandpaper, corrugated paper and copper.

7 Come 76

Robert (Believe it or Not) Ripley has nothing on this College, at least it would appear that way.

For John Lierly, whose number on the class role used in the student election, was seventy-six, was the seventy-sixth person to vote in both the Tuesday and Thursday elections this week.

When asked, John replied that he couldn't figure out why. "Only he hoped that it meant he might live to be seventy-six years old."

"Fumed Oaks" to Be Presented by College At Drama Festival

Four dramatics students and Dr. J. P. Kelly, chairman of the Department of Speech, will spend today and tomorrow in Columbia at the State Drama Festival sponsored by the University of Missouri. They will present the one-act play, "Fumed Oaks."

Members of the cast are Guy Davis, Craig, as Henry Gow, Margaret Kyle, Graham, as Doris Gow, his wife, Ruth Morrow, Plattsburg, as Elsie Gow, the daughter, and Gwendolyn Burch, Graham, the mother-in-law. "Fumed Oaks," written by Noel Coward, is one of a series of plays which played on Broadway under the title of "Tonight at 8:30."

The plays entered in the festival will be rated by a member of the dramatic production faculty of Northwestern University. Dr. Kelly who is a member of the committee for the state speech festival will serve as a judge for high school and junior college speech contests.

INVITED TO MOVIE

The Householder's Association invites all off-campus women to attend a movie party (Jane Withers in Arizona-Wildcat) at the Missouri theatre at 4 o'clock this afternoon. Those accepting this invitation are asked to call at the office of the director of personnel for women for tickets of admission.

Paul V. McNutt Ranks High as Candidate for President of U. S.

and Socialist Norman Thomas but by 0.39 per cent.

Others who received enough votes to be tabulated were James Farley, Henry Cabot Lodge, Champ Clark, Bennett Clark, Henry Wallace, Felix Frankfurter, Herbert Hoover, Alfred Landon, J. H. Bankhead, numerous state governors, and even Mark Twain, who received one vote. In the Illinois territory and several other schools President Robert M. Hutchins of the University of Chicago was mentioned frequently.

Breaking down the potential student voters—and there will be nearly a million of them of voting age by 1940—into Republicans, Democrats, and Independents, the positions of the candidate possibilities shifted somewhat. However, McNutt's strength was evident in all groups.

Republican students gave Dewey 25.7 per cent, McNutt (a Democrat) 16.2 per cent, Vandenberg (R) 8.5, Hull (D) 7.9, Garner (D) 4.4, and Taft (R) 4.2. Democratic students with 15.6, McNutt 14.3, Hull 12.1, gave Garner his only leading position with 15.6, McNutt 14.3, Hull 12.1, Dewey (R) 9.1, and La Guardia (R) 3.8.

McNutt Gains
Independents gave McNutt 21.2, Dewey 14.1, Garner 8.2, La Guardia 6.2, and Hull 5.4. Other polls taken of the entire voting population have also shown Dewey as the leading Republican choice and Garner ahead in the Democratic field. However, in all such polls McNutt ranked no better than fourth or fifth in Democratic ratings alone, although he has been gaining consistently.

The popularity of the former Indiana governor with American college students may be attributed to several factors: (1) his supporters have started a boom calling him a "conservative liberal," which happens to be in keeping with the college sentiment that has been shown in other surveys, (2) McNutt forces have been among the first actively to bid for support, and (3) he has been affiliated with education as a professor and dean of the Indiana University law school.

Leading Choices
Making no separation of Republican, Democratic, or Independent students, the Survey lists the following as leading choices for the 1940 elections:

1. Paul V. McNutt (D).....17.7%
 2. Thomas E. Dewey (R).....15.6%
 3. John N. Garner (D).....9.7%
 4. Cordell Hull (D).....8.5%
 5. Florence La Guardia (R).....4.5%
 6. Arthur Vandenberg (R).....3.8%
 7. Robert Taft (R).....2.2%
 8. William Vandenberg (R).....2.1%
 9. Harry L. Hopkins (D).....1.3%
 10. Phil La Follette (Prog).....1.1%
- All others and undecided.....33.7%
- Communist Earl Browder was mentioned by only 0.28 per cent,

We Are Coping With the Problem of Leisure Time

With the creation of more leisure time through the shortening of the working day and the increasing use of machines has come the problem of what to do with the leisure time.

Many workers are still so poorly paid that they do not have the means to indulge in recreation. Moreover, the worker is hindered by a set of values inherited from an age of scarcity. He has been told too often that work is sacred, and leisure is sinful idleness. He now finds himself not only without means, but also ill-prepared, helpless, and bewildered by the increased amount of leisure time. Multitudes of people, rich as well as poor, are depending on ready-made pleasures and external excitements for their recreation.

We need to be educated for recreation as well as for our work. We need a type of leisure that is not a trivial thing, a mere device for adding a little enjoyment to a dull and joyless life. The proper use of leisure is an essential thing, essential to health, happiness, character, intelligence, vitality of our great population.

The new education for leisure advocated by many authorities is an attempt to make a person a self-active personality in his leisure, and not a mere passive receptacle for pleasant experiences that have to be poured into him from outside. The opening to correct use of leisure rests in creative work.

Man as we now understand him, is by nature and in essence a creative being. He is a skill-hungry animal, hungry for skill in his body, hungry for skill in his mind, and never satisfied until that skill-hunger is appeased. If we can give each person a type of recreational activity that will satisfy his urge for skill and creation, we have solved the problem.—J. G.

There May be a Silver Lining To The Dark German Cloud

As unpredictable as the weather. That expresses our sentiment in regard to the international situation, particularly the German side of the dilemma, and our reasons are simply that we aren't well-read on the subject. However, there are a few items which have attracted our attention.

The International League for Truth in Germany, a new secret organization, "has evolved a brand-new method of undermining the Nazi regime in Germany," according to reports by one Washington writer. Membership includes many government employees both here in the United States and abroad.

The League "has just completed the first move in its anti-Hitler campaign." Their plan is not new but the twists which they give it make it singularly interesting. And there is a strong possibility of the idea bearing fruit. The plan is to distribute anti-Hitler pamphlets and booklets, not to the enemies of the Nazi regime as is usual but to the friends, and leaders, the "big-shots" of Nazism. But the idea becomes more unique as it unfolds. Distribution is spotty so that if there are two hundred Nazi leaders in a certain city, about one hundred receive the booklet. Naturally, they turn these over to the secret service and among themselves discuss the material. But there remains another hundred who have no booklet, and those who did have one become suspicious of the others, thinking they are "turning traitor" are concealing the material, and thus dissension and distrust is encouraged in the midst of the "trusted ones".

Of course it may not be that simple but when the secret service continues to pick up these booklets, in bundles on streetcars, around public places, and receive them from part of the Nazi friends, they have no way of telling how widespread the plague is or what is really being done.

Furthermore, the campaign is well financed. And it is just possible that we are for that campaign because if continued, we may in time see the

From the Dean . . .

The Works Progress Administration has just issued two publications by David Cushman Coyle entitled *Depression Pioneers* and *Rural Youth*. The following is from *Depression Pioneers*.

"Poor people in need of relief are a problem to relief officers and a burden to the taxpayers. But the fact that their poverty is a problem should not lead us into hasty condemnation of their moral character. The poor people conglomering along the highways in their rusty cars are not shiftless bums trying to make life hard for thrifty, self-respecting citizens who know enough to stay home. Most of them, when you come to look closely at them, are just the opposite. They are individualistic Americans who have the courage and vitality to go get it. They are the ones who are not licked but still have hope. It is not their fault that hope is slim, but it is to their credit that a slim hope is enough to keep them on their way. In our natural annoyance when some of them faint on our doorstep, let us not forget that the initiative and courage that we are preaching, they are practicing. They are Americans in the old tradition, doing their best to find for themselves. If sometimes they are overwhelmed by circumstances, it is not for lack of the pioneer spirit. In judging them, let us not hastily turn against the traditional standards of American history."

—J. W. Jones.

entire decay of Nazism and that would be a welcome sight to nearly all of us. So just sit tight and don't start any fights, Uncle Sam, there may be a silver lining to the dark German cloud after all. p.s.

Majority of Collegians Favors Roosevelt's Plea for Peace

While the entire world now knows the European dictators' answers to the peace plea made April 15 by President Franklin D. Roosevelt, there is apparent differences in opinions of people both in and out of the United States as to whether it was the best thing for the head of this nation to propose such a plan. Many believe that the United States should under no circumstances "stick its nose" into the affairs across the waters, while many others believe that someone had to make such a peace proposal and that it was entirely correct for the President to make such a proposal.

The following opinions were expressed by College newspapers in the United States on the peace proposal and were collected and sent out in the "Parade of Opinion," weekly release of the Associated Collegiate Press. These opinions are not necessarily those of THE NORTHWEST MISSOURIAN.

Despite the fact that most all lauded the statesmanship of President Roosevelt in addressing his plea for peace to the dictator-controlled nations, collegiate opinion was divided on the effectiveness of the latest U. S. move to bring order out of the European chaos.

Chief criticism of the fault-finders was that the message to Hitler and Mussolini throws the U. S. into a battle of words that is not our concern. This side of the question was ably upheld by the Villanova College Villanovan, which said: "Isn't it natural that the dictators viewed this plea with misgivings? They certainly perceived an inconsistency of views in the attitude taken by Mr. Roosevelt. We hope that in the future the heads of our governments will refrain from making rash statements that will jeopardize the intrinsic value of noteworthy appeals made in good faith. First and last they should remember that if democracy is to be safeguarded, let us protect it here, not in European battlefields."

However, in a majority were the comments in favor of the President's appeal. The Rollins College Sandspur summarized the position of the supporters of the President in this fashion: "Roosevelt has taken a momentous step in attempting to force the hands of the dictators. Although it may fail, such an attempt is better than for the most powerful nation on earth to adopt a philosophy of futility toward a world war. Every protection against domination by force will swell the tide of world opinion for peace."

The Grinnell College Scarlet and Black called on collegians to support the President: "He did not blunder when he called upon the dictators of Europe to make peace for at least ten years while the world's problems could be worked out around conference tables. Youth, College and otherwise, all over the world should thank Roosevelt for that lifeline in the next few weeks, if some such thing appeal. It is youth who will march off to some battle as the Roosevelt proposal is not accepted soon."

From Our Exchanges

HINTS ON MEN !!

If you find him a drunkard,
Leave him behind.
If you find him a student,
Leave him to grind.
If you find him too smooth,
Leave while you can.
If you find him none of these,
Leave! He's my man.

—Silver and Gold.

CAMPUS CAMERA

Around the Campus

Election is the talk of the week so why not discuss that here. The Tuesday election was well managed and orderly but the turn-out was terrific. But it's no wonder that there were so few. Several students approached this scribe and asked WHERE the POLLS were. And couple that with the fact that the election was one of the quietest held here for some time and you have the solution.

We'd like to draw you a picture of this campus in 1960. With all the trees being planted here now, you probably wouldn't know the campus and by 1975, it should be a veritable forest.

Again we take pen in hand to comment upon our new library. Workmen this week are touching up the outside and with the removal of the construction buildings and other materials, it brings to give hope and inspiration to the studios and the underprivileged of our College.

It's a funny thing but everytime someone sights something out of line or order, they let one of the staff members know about it with the comment, "Someone ought to write an editorial about that" or "Someone ought to make up a story on that." But let said staff member suggest to the interested citizen that he write the item himself and thus give us his own personal ideas and suggestions, in other words, write a letter to the editor, a student voice, "interested citizen" makes hasty backtracks. He can't do that or won't—thus is the end of reform.

We're glad to see the road up through the campus being fixed, the chuck-holes filled, and terraces decorated. This means something to both the motoring students and faculty and to the beauty of the campus from the town's point-of-view. (Hope the ninth street road gets some plugging, too.)

This Collegiate World

(By Associated Press)
College women "expect too much" and are "too expensive to marry." These statements by a member of the Iowa legislature cost Iowa State College a new women's dormitory, for it contributed to the economy

drive which defeated a bill which would have financed the structure.

But this particular solon is lucky he isn't a Pennsylvanian, for Duquesne University women have organized a "Co-ed Protective League," and they'd certainly gone after his scalp if he'd been within their Jurisdiction.

They've organized particularly to fight chronic standers-uppers and to provide brokendate insurance. League members pay 10 cents a week for the insurance, and whenever a date fails to show up or is tardy, they collect fifty cents as heart balm.

If history is correct, we predict a similar organization for men would go broke in short order—especially on the late-date business.

Fish Finale: A DePauw University alumnus has gulped 5,000 goldfish to end all such contests in the future. He did it at a goldfish hatchery, where tiny goldfish come at least 5,00 to the cup of water. And that (we hope) is that!

When it comes to stumping speakers on their campus, University of Minnesota students are the most original—but one of them put too much reverse English on a question he fired to high-flying Dr. Jean Piccard recently.

"How does a penguin escape from a polar bear?" was the stickler shot at him at a campus meeting.

"Well," he said, "polar bears live in the Arctic and penguins in the Antarctic, and the polar bears aren't allowed to go across the line." Which made one student's face awfully, awfully red!

Lothrop Withington, jr., was a bit low on spending money, so—

In the presence of 150 witnesses he won a \$10 bet from his roommate that he could swallow a live, three-inch goldfish. His only comment: "It was easy."

Which has something to do with disproving the recent statement of the University of Oregon's Dr. L. F. Beck that women are the stronger sex. Said he: "Had the Dionne quintuplets been born males they would not have lived."

But he hadn't heard of Lothrop Withington, jr., when he made that statement!

Prose, Poetry and Newsriting

By Helen J. Reed

Inspiration, inspiration, stimulation, animation. An influence. Final exams will soon be here intangible has gone off on a tangent some where is, there is, there is intangibility where there is, integrity with intake and interpenetration and intelligence and instruments and insurgents and insuperable instigation and . . . The foregoing has been an attempt to write somewhat like Gertrude Stein. I feel that since the public is probably not yet ready for a lot of little Steins to spring up and copy her whatever you call what she has that I should refrain from this type of writing. However, let me assure you it is much more fun. Perhaps you would rather have me write with phrases quite free

In a way that is right. And up to the ancient English height If you do not like to read forced rhyme Then stop this time If you have a dime It is more than this is worth, this rhyme.

Many people prefer to write in a rambling prose, going on and on saying very little but taking up a lot of time and energy and boring their readers with a lot of trashy nonsense which does not mean a thing, rather to them nor to the readers, who probably do not know much anyway. It can be said that there are people who never write at all who can be commended for this virtue since they are laboring under the impression that by not writing anything at all they are helping to

keep the world's store houses of literature free from pollution. Some other people Like to say Whatever they may In a type of poetry which Does not rhyme And never will And does not need to Rhyme to convey The thought. The value of this Depends largely upon The writer and his or her Esthetic sense. Some have it, some do not Then the poetry suffers. It is just another poor poem. The types of writing are far too varied and interesting for a discussion here. But the public reads another type of writing which has not been mentioned here. The reference is to the newspaper. News Flash! Extra! Extra! HIT-

The Stroller. . .

She was only a surgeon's daughter, but oh, what a cutup!

Now that it's settled who is the rose of Sigma Tau and who will be the student president next year, we can all settle down and start worry about finals.

The dorm girls had their own ideas about Sigma Tau rose. They even cut roses out of a catalogue and scattered them all over their work candidates room. Didn't they, Virginia "Rose" Page?

Here's the inside dope on that library of Crystal Cooper. The "crystal" gazer says he thinks she has a home-town boy-friend. And if so, please Crystal, don't torment the boys with your ruse ways (distracting the studious fellows who come to the library specifically to study each evening the principal charge.)

Another record has been brought to the Stroller's attention. Chalmers Corrington hadn't been going to the dorm every night for two years until last week. He blames his absence that night on corsages.

Anyone who knows of some unusual record that should have publicity just turn them in to the press room. As yet we have received no bull on goldfish swallowing around the campus. We will be the first to indulge in this popular sport MSTC?

If some of you students are awakened by your slumber during classes by heavenly music don't be alarmed. You haven't passed into the yond. It is only Andy Campbell and his subliminal radio that he carries with him everywhere.

Surprise of the Week: Do we love the way Inez Ibersole has captured football hero, (Chalmers) Cox! For the prom, anyway. But she is a nice girl, eh, Alpha Sigs?

Don Paxson, known in South St. Joe as Don Juan of Joetown, will not be bragging about not making the Stroller from now on. This item was requested by "Flame" and "Man" Paxson will explain to anyone who is interested.

Not only does romance run in the family politics also—'cause both Frank Baker and Gladys Miller were elected president of campus organizations, Frank, to that coveted position of president of the Student body and Gladys is head of the dance club.

Marianna Obermiller is thinking of sending a petition to the state legislature that they pass a law requiring all stools at lunch counters to have handles attached to them. Marianna had a narrow escape last week because of this lack of support. She pled right over backwards and it was very embarrassing for the spectators as well as Marianna.

And all the time Barton has been running been trying to keep up with the image of his daughter. It was just by accident that this slipped too. Has anyone told "Vickie" Fallis yet?

Quiet Romance for this Week: Jewel and Mona Pennington. They spend their hours in the library balcony with their books and their

The Sigma Taus had quite a dance last week. All the usual steadies were there. But the Stroller was surprised to see Helen Crouch and Jean N. swinging out together. Weary and Ted Dav those bookstore jellies, took a taxi to St. Joe day afternoon to get their dates. The highlight of the evening, of course, was the bestowing of title, "Rose of Sigma Tau" on Rosie. Mae And Rosie looked very nice, too. Guess this was more than Rosie could stand 'Cause she came back after intermission.

The upperclassmen were "up in the air" evening at the Junior-Senior Prom. All except Caton Lake who was heard mumbling, "I just seem to handle the women." Bill Stringer, circulation manager of the Missourian, was in circulation that night with Virginia Millikaning on his arm. Bill Bernau, who was not only brating the prom but his birthday also was square Lucille Shisler. (Incidentally, the orchestra played a number to Bill and the name of it "Madhouse". Was this just coincidence?) By event of the dance was that super-super! Such grace and poise as Andy Kruse exhibited. And diminutive Ike Howell wormed his way the hearts of the audience with his shy, coquettish ways.

The inimitable Charles Edward Vest of Horace Mann Hotel and Mound City, Mo., was with an up-town gal the other night. And his ner in crime was Jimmy Farmer.

Oh yes, have you seen that nice gold basket that Ruth Cofer is now wearing? It belongs to her at the prom. Plenty nice, isn't it, Rhyth?

So long—I gotta go learn all the words "Three Little Fishies".

LEB AND MUSSOLINI THREE MORE PLANETS HAVE TAKEN MAJORITY. Mussolini have taken Major Jupiter, and have already in the ring around Saturn. The planning to take over the world anytime now. This new affairs was quite expected by people of the Moon are believed to demand a part of the Sun give as their reason for the fact that they could grow potatoes on the Sun to feed younger generation three bushels per day. It is considered likely that if the Sun can be yielded the parts desired the Moon people will be inclined to a more active part in the affairs of Mercury.

All-College Spring Jamboree is May 19

Prizes to be Given to Winners Of Many and Varied Contests

Informality Will be Theme At Second All-School Event

"Hey Elmer put on your worst duds and come out to the all-College Spring Jamboree Friday afternoon and night May 19."

That quotation supplying the name of every student faculty member and every member of their families for "Elmer" is the invitation of the College social committee to attend the second big all-school Jamboree session between the hours of 5 and 8 o'clock at the playground just north of the gymnasium and a dance between the hours of 8 and 10 o'clock in the College West Library.

According to the College social committee members, every student, faculty and their wives and children (if any) are invited to attend the festivities. Short course students are especially invited to join with the regular Spring term Betty Coeds and Joe Colleges in the activities of the evening.

Tug of War

Persons who attend the Jamboree are asked to wear the oldest clothing they can "rig up." A prize may even be given for the worst costumed person in attendance. Similar social events are held in high schools and grade schools and now is an opportunity to learn how a real Jamboree is carried on, members of the social committee emphasized.

Members of the Senior and Junior classes will hold a highly competitive tug of war session on one section of the field, while on another section the Sophomore classmen will be tug of waring with the members of the highly-tutored Freshman class.

Softball Games

Members of the faculty will choose a softball team, as will members of the student body, and thereupon will ensue the big softball game of the century.

Many other games will be taking place at the playground during the evening. Social committee members said that all games will be taking place continuously so that students who grow tired of one may pass on to another.

Prizes in Trade

Prizes in all events will be five cents in trade at any refreshment stand.

The social committee announced this week that every student in the College can attend the Jamboree Friday, May 19, and have just as much fun as anyone else. It is to be an all-College, no-date affair, free and very informal.

In case of rain the festivities will be held inside the gymnasium.

Games to be played are as follows: Volleyball, baseball, darts, relays which will include the three-legged, three-legged in reverse, burlap sack, wheelbarrow, potato, fireman's and newspaper relay races, pen ball game, badminton, horseshoes, darts, croquet, ping-pong, tug of war, chess, English and Chinese checkers.

Rose Mae Fink is Rose of Sigma Tau at Spring Dance

Rose Mae Fink, Oregon, became the first "Rose of Sigma Tau" to be selected by Theta chapter of Sigma Tau Gamma, national social fraternity. Miss Fink was selected during the spring formal dance last Friday evening and was presented with an engraved "Sweetheart" locket.

The grand "March of Roses" was led by Neil Weary, Olatheville, president of Theta chapter and his guest, Betty Sue Hill, St. Joseph. During the dance following the Grand March and preceding the announcement of the final selection, which was made during the march and the next dance number, a shower of red and white crepe rose petals was released from the ceiling onto the dancers.

Presents Locket

Mr. Roy Ferguson, alumni sponsor of the chapter, made a short speech of explanation, announcing the selection made by the fraternity sponsors and presenting the locket, which was given to Bernard McLaughlin, Virden, Illinois, who placed the locket on Miss Fink, his guest. The entire chapter then sang the fraternity sweetheart song.

The guests were corsages of white roses, the official fraternity flower, and escorts, boutonnières of red or white roses. The Country Club, scene of the formal, was decorated as a rose garden with entrance to the dance floor being made across a small green lawn and through an arbor gate. The corner next to the fireplace was also decorated as an arbor with white lattice gate and fence. The fraternity emblem hung about the fireplace. Music was by Ralph Yehle and his "Rose Ramblers of Rhythm."

Guests

Mr. and Mrs. Donald N. Valk, Mr. and Mrs. J. Norvel Saylor, Mr. and Mrs. Wilbur N. Stalcup were chaperones and Mr. and Mrs. E. A. Davis, Mr. and Mrs. R. E. Baldwin, Mr. and Mrs. R. T. Wright, and Mr. Ferguson and guest, Miss Velma Cass were honor guests.

Guests of the chapter were James Wells, Maryville, Phi Sigma Epsilon, and Florence Glaze, Coffey; Mary Jane Newton, Hopkins, Sigma Sigma Sigma, and William Henry Davis; and Maudeen Walker, Holt, and Cort Peurif, Jameson.

Alumni who attended the dance and their guests were Arnold Carlson, Maryville, and Rebecca Foley; Marvin Johnson, Los Angeles, and Miss Cox; James Stephenson, Hamilton, and Rosalyn Venrick; Mr. and Mrs. Frank Moore, Maryville; J. B. Cummins, Maryville, and Neil Zimmerman, and Joe Max Hunt, Redding, Iowa. Ben Weir, Maryville, and Miss Ludmila Vavra were also guests.

Outstanding Prints Featured This Week

The outstanding prints of student and faculty amateur photographers, selected from 485 entered in a special nation-wide contest, are featured in this week's issue of Collegiate Digest, The Northwest Missourian's weekly pictorial section.

Entomologist Will Lecture

Lee Jenkins of St. Joseph, State entomologist, will present an illustrated lecture at the Maryville Camera Club meeting in the Maryville high school building next Thursday night.

Youth Conference Banquet Will be Tomorrow Evening

Donald Hepburn, president of the College Y. M. C. A., will act as toastmaster for an international relations banquet being held at 6 o'clock tomorrow evening at the Christian Church in Maryville.

The banquet is held in connection with the annual Nodaway county Christian youth conference, which lasts all day. The banquet program was arranged by Virgil Elliott, Barnard.

The main banquet speaker will be Rev. P. O. Nystrand of Stanberry, a graduate of the College. He will talk on international peace. Also Margarita Collazo-Felix, Puerto Rican student, will speak on the peace movement in her country. Mr. Paschal Monk, head of the conservatory of music, and Mrs. Monk, will sing.

During the day Dr. Harry G. Dilline of the College faculty will conduct a round-table discussion group on the topic "Knowing Our Neighbors."

A. A. U. W. Honors Dr. Ruth Lowery

At the state convention of the A. A. U. W. at Columbia April 28-29, Dr. Ruth Lowery of the English faculty was elected to the state board of directors in the position of recording secretary.

This, according to Mrs. E. M. Wright of Kansas City, chairman of the nominating committee, was in recognition of her work as co-editor with Dr. Blanche Dow, foreign language department, of the quarterly publication of the Missouri Division Bulletin.

Dr. Lowery served as recording secretary, pro tem, during the convention in the absence of Miss Constance Vulliamy of Park College, who was called to her home in Donaldsonville, La., by the death of her father.

18 Go to Hear Noted Violinist

Eighteen persons attended the violin concert given in St. Joseph last Monday evening by John Charles Thomas. They went in the College bus.

They were: Elizabeth Gardner, Maxine Fallers, Hilda Hamblin, Dorothy Powell, Mr. and Mrs. Breidenthal, Merrill Ostrum, Mr. and Mrs. Hugh Wales, Miss Katherine Dando, Miss Marian Peterson, Miss Dorothy Truex, Dr. Margaret Ruth Smith, Charles Wolfers and Mrs. Wolfers, Miss Dora B. Smith and Miss Mae Corwin.

Tri Sigma Alumnae Chapter Holds Meet

The alumnae chapter of Sigma Sigma Sigma met Thursday, April 27, at the home of Mrs. Lawrence Wray with Mrs. Louis Kill assisting hostess. Mrs. Emmett Scott and Mrs. Homer Ogden were high score winners at bridge.

Other alumnae present were: Mrs. Paschal Monk, Mrs. Bruce Montgomery, Mrs. Paul Foster and the Misses Grace Langan, June Cozine, Winifred Baker, Lois Halley, Daisy Blossom, Ruth and Helen Kramer.

Dr. and Mrs. Harry G. Dilline had as their guests Thursday, April 27, Mr. and Mrs. Stanley Carson who are Chinese missionaries traveling through the United States.

Announce Engagement Of Miss Mary Allen

The engagement of Miss Mary Allen, graduate of this College in May, 1937, to Charles C. Ellwood of Charleston, Mo., was announced at a tea Saturday afternoon, April 29, given by her mother, Mrs. Della Allen, at her home in Cameron. Miss Allen was assisted by another daughter, Miss Dorothy. The wedding will take place in June.

Miss Allen has been teaching in the third grade in the elementary schools of Des Moines. She also taught two years at Maitland and was an assistant to Miss Mary Keith in the College elementary school here for two years. She is a member of Sigma Sigma Sigma sorority.

Miss Mary Keith and Miss Dorothy Gates were among the guests from Maryville who attended the tea. Miss Josephine Nash of Hamilton and Miss Margaret Collison of Maitland, graduates of this College, attended the tea also.

Chan Chandler to Play at Tri Sigma Formal This Evening

Sigma Sigma Sigma's modern night club will be in waiting for their active pledges, alumnae and guests to dance to the strains of Chan Chandler's orchestra tonight at the annual Spring Formal from 9 until 12:30 o'clock at the Country Club.

Throughout the evening Joan Gillam and Beverly Blagg, will act the part of cigarette girls.

The chaperones for the evening are Mr. and Mrs. Tad Reid, Mr. and Mrs. Henry Blanchard, Mr. and Mrs. Forest Gillam, and Mr. and Mrs. Edward Condon.

Betty McGee is general chairman of all arrangements; other committees are: Decorations, Elizabeth Wilson, chairman, Betty McGee, Marjorie Powell, Leason Wilson, and Betty Jayne Tarpley; programs, Virginia, Milliken, chairman and Charlotte Perry.

Invitations, Laura Margaret Davis, chairman, Helen McDonnell; punch, Mary Madgett, chairman, Margaret Wilson; floor show, Hattie Richards, chairman, and Francis Pyle.

Favors, Margaret Stafford, chairman, June Ernst; clean-up, Ruth Marie Burch, chairman, Ena June Garrett, Bernice Carr and Martha Sue Zimmerman.

Hall Lights

Those attending the Marjorie Lawrence concert were Dr. Margaret Ruth Smith, Miss Dorothy Truex, Mrs. J. L. Zwingle, Miss Alline Penhess, Margaret Collazo-Felix, Elizabeth Gardner, Dorothy Powell.

The new women in Residence Hall during Short Course are June Patchin, Camden Point; Maxie White, King City; Mary Martha Peterson, Camden Point; Barbara Turner, King City; Rebecca Foley, Gallatin; Wilberta Means, Fairfax; Zella Goldsmith, Ridgeway; and Wanda Sloan, Cameron.

Olive Orth was surprised with a picnic given in honor of her birthday Wednesday evening. Those who attended were: Olive Orth, Bedford.

Varsity Villagers Spring Formal Is Tomorrow Night

Ballroom Will Be Decorated as Huge Flower Garden.

Spring is the general theme of the Varsity Villagers spring formal to be held in the West Library of the administration building, tomorrow evening from 9 to 12 o'clock. Delicate blossoms will burst into bloom in the ball room, according to committee chairmen.

Varsity Villagers and their guests will dance to strains of music played by the "College Swingsters." Honored guests who will appear in the formal garden are: Dr. Margaret Ruth Smith, Miss Dorothy Truex, Mr. and Mrs. R. T. Wright, and Mr. and Mrs. Kenneth Simmons.

Committees planning the evening's frolic are: programs, Ruby Goldner, chairman, Audrey Bartlett, Virginia Link, Jean Groom, Rosa Lee Roark; decorations, Virginia Bowen, chairman, Reva Herbert, Dorothy Woodburn, Bernice Murray, Mildred Warnick.

Tickets, Crystal Cooper, chairman, Virginia Groom, Roberta Ostrander; refreshments, Dorothy Dalbey, chairman, Madge Miller, Junetta Barnhouse, Betty Tarpley, Rachel Nimmo, clean-up, Mary Frances McCaffery, chairman, Olive Joe Saunders, Hope Wray, Lois Oursler, and publicity, Marjorie McAllister.

High School Sends 25 to Music Program

Edna Mary Monk, graduate of the College and sister to Mr. Paschal Monk, head of the conservatory of music, brought her entire school band of twenty-five players to the music program here Wednesday evening. She is director of music at Burlington Junction high school.

Bearcats Leave Tuesday to Meet Iowa STC Nine

Two-Day Baseball Series Scheduled At Cedar Falls, Ia.

The Bearcat baseball team makes its first trip next Tuesday to play its first game on foreign soil. The defending team will be that of the Iowa State Teachers College at Cedar Falls, a team that played a two-game series here last Friday and Saturday, winning one 18 to 6 and losing the other 4 to 6.

The Panthers are good. They boast three good pitchers and a smoothly working infield that looks like to all baseball devotees. Polley, the first baseman, won the affections of the fans by his consistent work at the initial corner. Puck, the burnished winning pitcher, shows an unusual form in his deliveries. Kane, the losing pitcher, is about as steady a man on the mound as any coach could wish for. The Iowa boys are not heavy hitters, but they keep packing away with singles in an effective manner.

Locals Lack Hurlers
The Bearcats lack good reserve pitching power. Their other positions are fairly well filled. The Maryville boys are a heavy hitting crew. All their runs Friday were driven in by home runs and a triple put another man on base. The steady pitching of Kane crimped the fencebusting performances Saturday, but nevertheless one homer did get past him. A few terrific pulls fell foul.

Both teams are hampered by a serious fault, the players make costly errors when they are behind. Maryville made nine Friday. The ball squirted past the infield and eluded the outfield in a maddening way. A number of errors on the part of the Panthers helped the Bearcats to win Saturday.

Bearcat Performances
A word should be said about the good performances of the Maryville players. Ralph Kurtright, catcher, effectively stops any attempt at base thievery. Eldon Ridge, a "short-horn," is showing excellent pitching form for his first week. Maryville fans are still talking of Raymond Curtiss' work in the outfield, especially his tumblebug catch Saturday.

Dale Hackett received quite a hand when he made his sensational infield catch in the same game. He appeared to be saluting Hitler. Marion Rogers at first and Joe Kurtright at second take care of the starboard side of the diamond, backed up by Bill Metz or Bill Bernau in the outfield. Harold Hull, left outfielder, is one of the big runs in the slugging business. The third base position, however, has not fared so well. All visiting teams have declared an open season on Richard Miller and Bob Darr who play that position. A little experience should help the boys.

Probable Lineups
Players who will make the trip have not been announced by Coach Ryland Milner as yet. He plans to take about fourteen men, five of whom will be pitchers. The probable starting line-ups (pitchers exempted):
Maryville: J. Kurtright, 2b; Curtiss, cf; Hackett, ss; R. Kurtright, c; Rogers, 1b; Hull, lf; Metz, rf; and Miller, 3b.
Iowa Teachers: Missildine, 3b; Goodman, 2b; Hafke, lf; Hanifan, cf; Polley, 1b; Boswick, ss; Bolt, c; and Hughes, rf.

Case School of Applied Science has a new 100,000-volt radiographic machine for metal flaw detection.

Bearcat Claws . . .

by ken lawson

The usual spring furor has started and everyone is beginning to be in a dither about this thing and that thing. The baseball team played two baseball games last week end and two through this last week. One track meet is on record and the state meet is in the immediate offing. Besides that the scholastic difficulties are rearing their ugly heads. Voice of Experience speaking.

The Bearcats had a disastrous day last Friday and lost to the Iowa State Teachers by the one sided score of 18-6. Combining nine errors with an unlucky pitching staff just doesn't seem to work somehow. The Maryville boys however did come through with some smashing hits. Home runs by Hackett, Rogers and R. Kurtright and a triple by Harold Hull. The Iowa State boys were naturally somewhat skeptical of the threats of the Bearcats to revenge this game, but they were soon set right on the matter because on Saturday the Bearcats evened the series with a 6-4 win over the team from Cedar Falls. Marion Rogers blazed out another home run in this game. The Bearcats came through with four tallies in the first inning and the Panthers scored three in the second. At this stage in the game it looked as if the score might resemble that of a basketball game, but both teams tightened up and the score was comparatively low. "Pea" Ridge pitched a good game.

On last Friday the Bearcat track team took the measure of the Warrensburg team by an overwhelming score. Elmer Barton, freshman flash from St. Joseph was the high point man of the meet winning the 100 yard dash and the 220 yard dash and running a leg in the winning half mile relay team. There was too much wind for any official records but a good indication of speed was put on by Barton when he ran the 220 dash in 21.6, which time is .2 of a second better than the conference record which is held by the Great Neil, also a student of this institution.

Merrill Ostrus ran the high hurdles in the fastest time of his career. He skinned the bars in 15.5. Neil Weary ran one of the fastest quarters in the mile relay that has been run on this track this year. Indications are that he will be entered in the open quarter in the State Meet at Rolla May 12 and 13. Max Mudd, showing that easy stride and that fast effortless finish won the mile in a slow race, but it was clear that he could have shaved several seconds off of this time with ease. Bernie McLaughlin came through with an unusually fast time in the low hurdles winning with comparative ease. Wayne Taylor and Norman Reital sacked the half and the quarter Reital winning the quarter after Taylor had set a furious pace throughout the distance. The two mile race was won with ease by Bob Long. This all points to but one thing, these men are stars and they are going to prove it at the state meet. They want to win and if a dark horse ever wins, it will be in this meet. Another prophecy is now being made. I hope I am right when I say that I think that the Maryville Bearcats will win the State Outdoor Track meet. Fight 'em Bearcats.

The Bearcats journeyed to Rockhurst to seek revenge on a 4-3 baseball loss earlier in the season, last Wednesday. This game is reported on this page but as this column is previous or something I know nothing as yet. On Thursday the Bearcats played Graceland College of Lamoni, Iowa. This is the first contest between these two teams and we hope it will not be the last.

The interest in this game of baseball has been somewhat revived in the past few years and it seems that this year the game is coming back in rapid strides. Warrensburg and Maryville both have teams and many other colleges outside this loop, but in traveling distance have teams. We hope that the interest will revive to such an extent that the next few years will see an MIAA schedule for baseball as well as football and basketball.

teams were: Mary Jo McGee, Martha Minor, Irene Bohnenblust, Marjorie Farmer, Winifred Lightle, Iris Ebersole, Marjorie Powell, Coleen Hulatt and Rose Mae Fink. Points were given for first, second and third places.

The Reds, captained by Winifred Lightle, were leading by a margin of six points at the noon hour. A picnic lunch was enjoyed at the College park and at 1:30 o'clock volleyball games were started. Color teams played progressive Round Robin tournaments in volleyball so that each team played every other team, the total score being accumulative score from each playing period. No team is eliminated in this type of tournament.

The Orange team, captained by Iris Ebersole, won first place by winning the greatest number of points in volleyball. Scorers computed final scores for the day with first, second and third places announced.

Red Team Wins

The Reds were the winners and were given white ribbons which had printed on them, M. S. T. C., Play-day, 1939. Each faculty member and each girl were given a smaller green ribbon with the same writing. The girls were dismissed for swimming, ping pong, the baseball game, and Track Meet at 3:30.

Committees in charge were: Registration, Junetta Barnhouse, chairman, Martha Jane Hamilton, Helen Crouch, Ruth Morrow; equipment, Mary Madgett, chairman, Eleanor Barrett; scorers, Marie Holding, chairman, Helen Smith, Virginia Ramsey; judges, Marianna Obermiller, chairman, Miriam Martin, Gladys Miller and Lucille Shisler.

A day conducted in this manner with a wide variety of activities is becoming more popular each year with high schools and colleges all over the country.

W. A. A. women other than those mentioned also helped with the day.

Bearcats Win in Track Meet Here; Down Central Mules

Running with a strong breeze at his back, Elmer Barton, St. Joseph freshman on the Bearcat track team, covered the 22 yard dash in 21.6 seconds last Thursday on the local track to better the conference record as the 'Cats swamped the Warrensburg Mules 91 2-3 to 44-1.

Barton took both the short dashes, running the hundred yard dash in 10.1 seconds and a leg on the 880 yard relay to take high point honors with 11 1/2 points.

Paul Person of Maryville took first place in the medal golf play and Crozier of Maryville came in second. Maryville captured two out of the three tennis matches winning both singles and losing the doubles. Kenneth Hantze and Bob Bowles were the local tennis entries.

Summaries:

Mile—Won by Mudd, Maryville; second, Turner, Maryville; third, Fry, Warrensburg. Time 4:52.5.

880-yard relay—Won by Maryville (Burton, King, Weary, Barton). Time 1:34.1.

Shot put—Won by Carr, Warrensburg; second, Carter, Maryville; third, Zemles, Maryville. Distance 40 feet 8 1/2 inches.

Pole vault—Won by White, Warrensburg; Darr and Bernau of Maryville and Sutton of Warrensburg, tied for second and third. Height 10 feet 6 inches.

440-yard run—Won by Reital, Maryville; second, Taylor, Maryville; third, Subrock, Warrensburg. Time :53.9.

100-yard dash—Won by Barton, Maryville; second, Coladay, Warrensburg; third, McLaughlin, Maryville. Time :10.1.

High jump—Yorek and Ostrus of Maryville tied for first and second; third, tie between Sutton and White, Warrensburg. Height 5 feet 8 inches.

High hurdles—Won by Ostrus, Maryville; second, Gibson, Warrensburg; third, Carter, Maryville. Time :15.5.

880-yard run—Won by Rice, Warrensburg; tie for second and third between Reital and Taylor of Maryville. Time 2:08.

Javelin—Won by Lincham, Warrensburg; second, Bernau, Maryville; third, Goslee, Maryville. Distance 163 feet 6 inches.

Discus—Won by Irvine, Maryville; second, Carter, Maryville; third, Conyers, Warrensburg. Distance 121 feet 6 1/2 inches.

220-yard dash—Won by Barton, Maryville; second, Burton, Maryville; third, Crouse, Warrensburg. Time :21.6.

Two mile run—Won by Long, Maryville; second, Mudd, Maryville; third, Fry, Warrensburg. Time 10:46.3.

Broad jump—Won by Curtiss, Maryville; second, White, Warrensburg; third, Paxson, Maryville. Distance 22 feet 4 inches.

Low hurdles—Won by McLaughlin, Maryville; second, Ryan, Warrensburg; third, Carter, Maryville. Time 25 seconds.

One mile relay—Won by Warrensburg (Sudbrook, Rice, Hopper, Golladay). Time 3:38.

College Baseball Nine Wins Second Game With I. STC

After Losing First Event Locals Come Back to Win 6-4

Eldon "Pea" Ridge pitched the Bearcats to their first victory here last Saturday over the Iowa State Teachers of Cedar Falls, Iowa. After having been beaten 18-6 by the Iowa team the previous day the Bearcats came back strong to win by a score of 6-4. Ridge allowed eight hits, one a triple but he tightened up in the right spots and he struck out ten of the Panther batters.

Maryville started out strong by pushing over four runs in the first inning. Joe Kurtright led off and walked, Curtiss was safe when the first baseman dropped the ball. Hackett singled to score Kurtright. Ralph Kurtright grounded out, scoring Curtiss. Rogers hit a long one into right field for four bases scoring Hackett. The Panthers had their big inning in the second frame, scoring three runs.

Sensational Catches
Two sensational catches were made in the contest. In the third inning Curtiss came in fast scooping up what appeared to be a clean hit; he couldn't keep his balance, but came up with the ball to show that he had caught it. The out was made after Ridge had fanned two.

In the sixth Dale Hackett had four chances at shortstop, one grounder getting away from him, but he made up for the misplay when Hanifan hit a liner between short and third base. Hackett made a running catch with one hand far to his right and above his head, he had just tossed Hafke out at first and he leaped to retire the side by throwing Polley out at first.

Line-ups
The line-ups:
Maryville—J. Kurtright, 2b; Curtiss, cf; Hackett, ss; R. Kurtright, c; Rogers, 1b; Hull, lf; Metz, rf; Miller, 3b; Ridge, p.
Iowa Teachers—Missildine, 3b; Goodman, 2b; Hafke, lf; Hanifan, c; Dilly, cf; Polley, 1b; Van Winker, 1b; Boswick, ss; Bolt, c; Hughes, rf; Kane, p.

The score by innings:
Innings: Mayes and Arthur.

Maryville 400 101 00x—6-10-2
Iowa 030 000 100—4- 8-5
Strikeouts: By Ridge, 10; by Kane, 2; Walks issued by Ridge, 5; by Kane, 2. Extra base hits: Kane, J. Kurtright, three baggers; Rogers, home run.

Umpires: Mayes and Arthur.

Iowa Teachers are Victorious in First Baseball Game Here

In the first game of a two game series with the Iowa State Teachers of Cedar Falls, Iowa, the Bearcats were beaten by the overwhelming score of 18-6. Two Iowa State hurlers held the Bearcats to five hits, a single and a home run by Hackett; a triple by Hull; and two other home runs by Ralph Kurtright and Marion Rogers.

In addition the Panther hurlers sent eleven Bearcats back to the bench by strike out route and then played heads-up ball, committing only two errors.

In comparison the Bearcat hurlers were generally in trouble and when not in trouble they were let down by nine errors which were as costly as the number in the run column indicates.

Many Iowa Scores
The Iowans scored in all but the seventh and eighth innings, while the Bearcats scored two runs each in the first, third and fifth. The fact that the Bearcats batted out the ball for six runs, showed that there is latent power in the club which has yet failed to click in all positions for an entire game. Derry started out on the mound for Maryville, but he had difficulty in both innings he pitched and Howell replaced him in the third. Ike has been bothered with a sore arm and he was not in shape to pitch and he was replaced by Campbell in the fifth. He completed the game, six runs were scored off of him in the five innings he pitched.

Line-ups
The line-ups:
Maryville—Curtiss, cf; Hull, lf; Hackett, ss; R. Kurtright, c; Rogers, 1b; J. Kurtright, 2b; Bernau, rf; Metz, rf; Darr and Miller, 3b; Derry Howell and Campbell, p; Beedle batted for Campbell in the ninth.

Iowa—Missildine, 3b; Goodman, 2b; Hafke, lf; Hanifan and Hughes, rf; Dilly, cf; Polley, 1b; Boswick and Breitbach, ss; Bolt, c; Puck and Dodd, p.

College Nine Wins Over Rockhurst Hawks 8 to 6

The College baseball team had the Rockhurst Hawks their first of the season, 8 to 6. Wednesday afternoon of this week on the Rockhurst diamond.

Ralph Kurtright and Marion Rogers led the Bearcat attack with two hits each in four trips to plate. Eldon "Pea" Ridge pitched effectively allowing nine scattered hits and striking out seven. Rockhurst errors gave Maryville a lead in the first and again in the second inning.

Milner's men made three runs both the fourth and eighth innings. Although the Hawks got nine they were unable to produce a winning punch.

The score by innings:
Innings: Mayes and Arthur.

Maryville 110 300 030—8-6
Rockhurst 002 200 200—6-8

Dorothy Matter Is Elected President Of Swimming Club

Dorothy Matter of Osborn last week was elected president of Sigma swimming club at the College. She will serve for next year. Other officers elected by the organization for 1939-40 are: Lois Goltry, Russell, Ia., vice-president; Evelyn Dow, Springfield, retary; treasurer; and J. H. M. Bolckow, historian and publicist.

The swimming club will hold its picnic next Tuesday in Cedar Falls. Guests of the organization will be Misses Day Weems, Wincle Carruth, Dorothy Trux, Miss Waggoner, members of the College faculty.

Mr. E. A. Davis, athletic director at the College, this week announced that all men interested in the intramural tennis and basketball tournament should see bulletin board in the Administration building and sign up for the tournament. The tournament will begin Monday at the gymnasium.

Gladys Miller is Elected President Of STC Dance Club

Dance club members elected Gladys Miller, St. Joseph, as next year's president at a business meeting held last week.

Other officers of the club will be: Helen Johnson, Rosendale, vice-president; Margaret Kyle, Graham, secretary; Winifred Caton, Mound City, treasurer; Mary Jeannette Anthony, Maryville, historian; Marjorie Powell, Stewartville, reporter; and Mary Virginia Beck, Schell City, club accompanist. The club will also be under the sponsorship of Miss Day Weems, member of the physical education department.

It has been announced that these new officers will be installed at a formal dinner to be held for all members of the club May 17.

Helen Johnson, Rosendale, is acting as general chairman of the dinner with Virginia Bosch, Maryville; Virginia Lee, Mound City; Evelyn Dow, Springfield; and Doris Hiles, Burlington Junction, assisting.

Nineteen Schools Take Part in 2nd Annual Play Day

Red Team, Led by Winifred Lightle, Wins First Place Ribbons

The second annual Play Day, sponsored by W. A. A. in connection with the Boy's County Track meet was most enthusiastically received Saturday, being the most successful since the idea evolved. Nineteen schools from this county were invited to bring at least ten girls to participate in the events.

Those schools were as follows: St. Benedict's of Clyde, College high school, Maryville high school, Skidmore, Hopkins, Harmony, Elmo, Barnard and Guilford. Faculty sponsors came with each group. Every girl from each school was a member of a different color team and were given colored neckpieces as they registered.

Before activities started everyone assembled in the gymnasium where Miss Miriam Waggoner, sponsor of W. A. A., explained that the purpose of a Play Day was for all girls to play together and make new friendships. Dr. J. W. Jones, dean of the College faculty, was introduced and presented a welcome for the College.

Teaches Folk Dance
Miss Day Weems, dancing instructor, started the day of events by teaching several steps of a folk dance. Relays were started when Virginia Gibson, general chairman of Play Day, announced them and gave final instructions. W. A. A. members who captained the different color
